The Dulles Greenway Citizenship Award application is due on April 11, 2012. By this date completed applications, along with two references, must be received by the guidance department at your school.

1) What are your post High School Education Plans and Goals?

2) Please list High School organizations/activities in which you are actively involved as well as those organizations/clubs/activities in which you have participated in your community. Please also list your other extracurricular activities.

3) Please explain in 500 words or less what you believe it means to be a good citizen and how you demonstrate these characteristics in your everyday life.

4) Letters of recommendation

As part of your application for the Dulles Greenway Citizenship Award, we will require two letters of recommendation. The attached two pages are to be submitted, one per letter of recommendation, in a sealed envelope with the corresponding signature across the seal. This is intended to verify that the letter they submit to our selection staff is confidential.

Should you have any further questions regarding the selection and application process, please contact your school guidance department. It is unfortunate that with the many great citizens who will apply for this award, only one will be selected from your school. Regardless of the outcome of your application, the Dulles Greenway would like to commend you on all of your efforts within the community!

## Recommendation Letter Form

This form must be attached to each recommendation letter in a sealed envelope. The envelope must be signed across the seal by the author of the recommendation letter. No more than two letters of recommendation will be accepted.

Please complete the information and include your signature below before the enclosing this with your recommendation letter. The sealed envelope should be delivered directly to the guidance office (not delivered through the student) to ensure confidentiality.
